

2023

Classroom News

Fish and Bear - The children will engage in hands-on exploring as they discover where they sit at school, the different kinds of seats, how seats are the same and different, what seats help people go places, the different parts of seats, and how they make their own seats.

Elephant and Kangaroo - Will continue learning about the school and each other. They will learn who all works at the preschool, how to make and keep friends, and the different sounds they can hear while at school.

Color: Yellow

Shape: Circle

Numbers: 1 - 2
