

2024

Classrooms

Fish and Bear - As we study brushes, children will develop language and literacy skills, fine-motor skills, care for dolls and themselves, and clean; social skills, as they interact with each other to explore brushes and with adults to learn how people use them; and a growing sense of independence, as they practice self-care skills and help take care of the classroom environment.

Elephant and Kangaroo - As we study pets, we will learn concepts and skills in the areas of literacy, math, science, social studies, the arts, and technology. We'll also develop thinking skills as we observe, investigate, ask questions, solve problems, make predictions, and test our ideas.

Everyone:

Color - Blue

Shape - Diamond

Numbers - 15, 16, 17

Letters - N - V - W

Bible Lessons

Lesson 28 - Easter
